

Spring - A Season of New Beginnings A Time of Letting Go and Growing Forward

On March 19th & 21st, UUSGS will host a special drive-thru celebration. As a part of this celebration, we reached out to four of our community partners and asked what they needed most right now. Each of these organizations has a personal connection with one or more UUSGS members, such as through ongoing volunteering and/or leadership. We're pleased to be able to support them!

Your mission, should you choose to accept it...

Pick an organization from the following page to support. Or bring a little something for each! Whatever make the most sense to you and yours. Just know that each item donated will be well appreciated... by our community partners and by your fellow UUSGS community members!
