

FESTIVAL PUB SEEKS VARIETY ACTS

Hear ye, hear ye!

As The Unity House Players prepares for the timeless and twisted arrival of *Shakespeare's Timeless Twisted Pub*, we are looking for a vibrant band of Strolling Variety Artists to bring life, magic, and merry chaos to the crowd!

Hark and take note, this grand gathering is a benefit performance to support the arts, and we are seeking talented volunteers to donate their craft. If you have a passion for performance and a desire to champion the creative spirits of our community, we want your unique spectacles to grace our October festival!

Whether you conjure illusions, weave melodies, or juggle fire (ok, maybe not fire!), you only need to prepare 2-3 minutes of your act to showcase for the tavern masters.

Ways to Audition:

1. In-Person Court Appearances: Step right up and be seen by the Pubkeepers!
Friday, July 31st from 7:00 PM
Saturday, August 1st from 1:00 PM
Location: UUSGS / Unity House Players, 245 Porter Lake Dr., Springfield, MA
2. The Magic of Digital Scrying (Video Submission): Can't make the journey to the tavern in person? Fear not! Record a short video of your routine and send it to email (darcie@uuspringfield.org), along w/ your availability.
3. The Modern Town Square (Social Media & Websites): If your website, Instagram, or other social media pages already showcase your performing prowess, drop us a link so the Pubkeepers can marvel at your craft and please include your availability.

All backgrounds and varieties of performance are eagerly welcomed to apply to join our merry band of volunteers and make this festival a legendary night of Shakespearean silliness and joy for a wonderful cause!

Performance dates for the Pub are October 15, 16, 17, & 18. Note - you do not need to be available for all the performances!
